

Dreams Really Do Come True

The Hues 'N News—October 2020

Welcome to Neverland! I hope each of you are as excited as I am to embark on a new Grand year. This year, I encourage everyone to chase their dreams through hard work and dedication. Though the 2020-2021 term may look a little different than normal, that just means we'll need to get creative! Even a global pandemic can't stop Rainbow Girls.

During the quarantine, I have been busier than ever! I work as a nurse at an animal ER on the weekends; after COVID hit, I began working full time because our clinic was overwhelmed with cases. Thankfully, I work with a great group of people so the added hours weren't too bad. Even though I have been able to cut back to part-time again, you can still find me in the ICU Friday through Sunday doing what I love and treating patients.

In August, I began the second semester of my senior year at UTC and I am anxiously counting down the days. Right now, I am taking microbiology, plant morphology, and physics; so far I have learned that I do not care for plants. I have already submitted my vet school applications to a variety of schools and, hopefully, I will hear something by February! I have an interview already scheduled for UTK so wish me luck!

I hope each of you are staying healthy and safe during these uncertain times. Though we cannot have our typical fall events, I hope to be back to official visits in no time! My thoughts are with you and always remember: grow wise, grow strong, but never grow up.

From the Supreme Deputy....

My Tennessee Rainbow Family,

First and foremost, I want to tell you all how excited I am to be a part of this next Chapter in Tennessee Rainbow History. As a young Rainbow Girl and then Majority Member, never in my wildest dreams did I imagine I would be representing you all as your Supreme Deputy.

For those of you who do not know me, I am a majority Rainbow Girl and Past Grand Worthy Advisor of Tennessee Rainbow. My husband Austin

and I were born and raised in Nashville, Tennessee which is where we currently reside. Austin is a Pediatrician and I am a stay-at-home mom to our wild three-year-old fraternal twins, Anderson and Caroline. Mom Fortenberry, thank you so much for the faith you have in me to lead Tennessee Rainbow. I am truly humbled and honored and looking forward to the future of Tennessee Rainbow! Like the rest of Tennessee Rainbow, I was so proud to watch you be Installed on Zoom as Supreme Worthy Advisor. I know you have wonderful plans for our Order and it is an honor to work with you!

As part of her term as Supreme Worthy Advisor, Mom Fortenberry has instituted the Centennial Proficiency/Membership Program. This is a great program that allows our members to attain knowledge about our Order while doing service along the way. There are four levels to the program that will be done in “semester” like sequences. Your Grand Deputies and Mother Advisors have all of the information so please be sure to reach out to them to get this program started!

I want to congratulate Julianna Justice, our JPGWA and the 2019-2020 Grand Officers on a wonderful year. Although the year did not end how any of you planned, each of you handled the whole process with such grace and poise and I was truly proud of each of you. I want to thank all of those who took part in or attended our Grand Assembly Showcase. It took a lot of hard work from many individuals across the state to pull off, but fortunately our Tennessee Rainbow family is great at teamwork. We definitely made lemonade out of lemons that day and I am appreciative of all of the hard work that was put into the *event*.

Congratulations to our new GWA, Katelyn Broadway, and the 2020-2021 Grand Officers. I have enjoyed getting to know you all already on Zoom and I look forward to when we can meet again together. Katelyn has organized some great projects for us this term to be working on! Be sure to check with your Mother Advisors on how you can participate in our service projects this year or you can learn about them on our website www.tniorg.org

Lastly, I want to give a shout out to my awesome Grand Page, Jalise Gleaves from Hendersonville #3.

Rainbow Love,
Mom Rachel Whitaker
Supreme Deputy

Supreme Worthy Advisor Installed in Tennessee

Only a Pandemic like COVID-19 could cause such a change in the entire world in 2020! But thanks to the guidelines surrounding safety and social distancing, Supreme Assembly was held virtually. Tennessee was honored to host the Installation Ceremony of the Supreme Worthy Advisor in her home state and in the Assembly where she began as a Mother Advisor a few years back.

It is such an honor to congratulate Mom Fortenberry on her election to Supreme Worthy Advisor! From Fountain City's Assembly Room and with the help of our folks at Supreme, Tennessee Rainbow hosted an international ZOOM meeting to see our Supreme Assembly Officers installed in their new stations! Mom Fortenberry's daughters, Susan and Amy were in attendance and her granddaughter, Rachel, served as the Bible Bearer. With 850 virtual viewers and 60 friends on-site, our ZOOM meeting moved from Tennessee to various parts of the United States, then to Canada, Bolivia and Brazil without a hitch!

Supreme Worthy Advisors are so busy that they must resign their position as Supreme Inspector and turn over their Jurisdiction to another person. So when Mom Fortenberry resigned, she appointed Rachel Whitaker as our new Supreme Deputy! *Mom Rachel* is a Tennessee Past Grand Worthy Advisor and Majority Member and we welcome her as our new Rainbow Leader.

As members of Tennessee Rainbow, we pledge our renewed support to these two leaders who have the best interest of Rainbow at heart.

Grand Assembly Showcase 2020

Where were you on Saturday, August 15th? Whether you were at home, at a watch party or in Knoxville, Nashville or Memphis, Tennessee Rainbow gathered for our Grand Assembly Showcase via a ZOOM meeting. And this meeting was certainly one-of-a-kind. The 2019-2020 Grand Officers didn't have to do a lot to pull off this session, but all were present in their respective locations.

Julianna, the Grand Worthy Advisor, had the honor to be the first to introduce Mom Fortenberry as Supreme Worthy Advisor! Guests were introduced from throughout our country and from a couple of international jurisdictions. Since our Grand Officers missed both Homecoming and Grand Assembly, gift-giving was a highlight. Following the retiring of Grand Officer pins and the GWA's crown, lunch was had by all.

Mom Fortenberry then announced Girls' Grand Appointments for 2020-21 led by Katelyn Broadway, Grand Worthy Advisor. The Installation followed and Ashley Master-son installed her sister, Katelyn, and the other Grand Officers. Congratulations to this year's appointments and to Mrs. Beth Williams, Tennessee's new State Mother Advisor!!

While everyone was behind a mask and hugs were kept to a minimum, guests enjoyed seeing friends in person. This year has helped each of us recognize the value of friends and social gatherings, of high-fives and gentle hugs and of the memories made as we have traveled together. We have learned new ways to cheer on our friends or to comfort each other in the tough times. Thanks Tennessee Rainbow for making the best of a new normal.

The State Mother Advisor...

I know that none of us will ever forget our virtual Grand Assembly August 15. It was wonderful being with our Nashville Grand Officers and seeing our other groups across the state on the computer screen. It was definitely surreal hearing my name called as the new State Mother Advisor for 2020-2021. Mom Fortenberry, I can never thank you enough for this great honor.

Technology has been a definite blessing during this pandemic. When we couldn't be together, we have been able to connect with our Rainbow Sisters through Zoom and Facetime. The Grand Officers have even been able to chat on the "GroupMe" app.

At long last, we were able to assemble at our beautiful camp on October 3 for an autumn Camp Day. It was a crisp and beautiful autumn day, but the best part was the great fellowship enjoyed by everyone.

I hope we will be able to travel to see our beautiful Rainbow Sisters across the state in the Spring. A special shout out goes to my sweet page, Erin Smallman of Holston Assembly. I simply can't wait to meet you in person!

Don't forget to pick up a beautiful T-shirt, pin, or mascot and join us in Neverland! To quote Peter Pan *"Just think of happy things and your heart will fly on wings!"*

Much love to all of you!

Mrs. Beth Williams
State Mother Advisor 2020-2021

Grand Religion...

Hello everybody,

My name is Dessie Webber and I have been appointed Grand Religion this year. I live in Knoxville, Tennessee and am a part of the Assembly Fountain City #56. I am a freshman at Powell High School. I love to go camping and watch the Tennessee football games on weekends. I like spending time with friends and family whether it be going out somewhere or just staying in. One of my favorite things to do is sing and play piano, while trying to write a few songs.

I would like to send a special shout out to my page, Lizzie Kauffman. I can't wait to meet you and get to know you better, not only as a friend but as a sister. I can't wait for this year and everything we can and will accomplish even in the midst of a global pandemic. Hope everybody stays healthy and safe and can't wait to see y'all again.

With Rainbow Love and Service,
Dessie Webber, Grand Religion

Grand Choir Director...

Hello Tennessee Rainbow. I am Miranda Hartman, and I am a member of Henry Lee Fox Assembly #85. I am a Senior in high school this year.

Amanda Rue, I am so excited that you are my Grand Page. I cannot wait to meet you and become one of your big sisters!

I am looking forward to being with everyone at Camp Day in October at MontMilner Camp. I know this year might be a little different, but we will get through this together. Again, I am so excited for this year.

With much love and wishes

New Appointments for Tennessee Rainbow

Mom Fortenberry announced a new Grand Deputy during the Showcase. Mrs. Sharon Broadway, the Mother Advisor of Red Bank #41, follows Mrs. Elaine McAfee, who was named Deputy Emeritus. Mom Elaine has been a Rainbow supporter for many years and Tennessee Rainbow is so grateful for her years of service. She especially loved Camp MontMilner and spent many years on the Camp Board. She was a great cook and she loved cleaning...a gift that most of us do not share. She could make the camp kitchen shine!

Mom Rachel announced the appointment of Dr. Austin Whitaker as State Dad. Austin follows Dad Fortenberry who has served faithfully as Tennessee's State Dad since Mom Fortenberry became a member of the Supreme Family. Thank you seems inadequate for the many hours of construction and repair that Dad Fortenberry has managed over the years. Rainbow girls and adults will never look at a brag rag without remembering Dad Fortenberry's sweet words of encouragement about earning bars and badges to sport your brag rag!

Thanks to each of these adults for the dedication to our Order and for the example they have set forth as a model for both girls and adults in Tennessee.

Grand Charity

Hello Rainbow family! My name is Noah Porter and I am so excited to serve as Grand Charity this year! I know this is not how any of us wanted to start off this Grand year or school year, but there are still so many great things that are happening around us that we should be thankful for (like seeing your Rainbow sisters).

This year I am a sophomore at Carson-Newman University where I am studying to become an English teacher. I am also a member of RUF and the C-N Marching Eagles. I cannot wait to start off this year with one of my favorite events of the year - Camp Day! I have waited so long to see my Rainbow Sisters and friends. I want to give a shout-out to my page, McKaiya Parman. I can't wait to meet you and start this Grand year together!

With so much Rainbow love,

Noah Porter, Grand Charity 2020-2021

Camp Day 2020

Tennessee Rainbow usually goes to Camp MontMilner for Leadership the first week in October. But since we aren't quite ready to spend the night together just yet, this year we celebrated Camp Day! With 105 in attendance, girls experienced a scavenger hunt, created dog toys, knocked out some great line dancing and enjoyed some awesome food at a beautiful day on MontEagle Mountain. Adults got to reconnect with friends and shop at the silent auction. The day finished \$2,800 better and a great time was had by all.

Katelyn will be donating the dog toys to Rock City Rescue to make some canine friends really happy. Thanks to everyone who came, played, ate and spent money to make this a great day!

We should say Thanks to the Camp Board for all the updates to our Camp. If you haven't been by in a while, make plans now for June 5, 2021, to check out all the facility improvements. All buildings are now handicap-accessible and many new safety measures are in place! Thanks Mom Lela for your leadership!!

Official welcome crew...Mom Rachel and a host of turkeys!

Camp activity....making dog toys from tennis balls and T-shirts

Katelyn collected a huge tubbie of candy to be distributed around St. Jude's for her project, *Think Happy Thoughts*

Line dancing....social distancing-style!

Rainbow Sisters and Friends,

These past few months have been hectic to say the least. Uncertainty has become the new normal for us. I was so happy to be able to see at least a few of my Rainbow Sisters from East Tennessee at the Grand Assembly Showcase watch party in Knoxville. It seems like an eternity since I have seen so many of you, but I am so thankful for zoom calls and social media allowing us to stay in touch. I am very happy that I was able to meet my Grand Page, Erin Smallman from Holston Assembly #124 at the showcase; I am so glad that we are both from East Tennessee. I hope that when it is safe to meet up in person again, we can spend some time together and get to know each other better. I am so incredibly happy to have been appointed as Grand Chaplain for this year. Thank you to both Mom Rachel and Mom Fortenberry for entrusting me

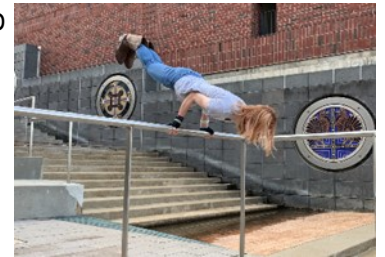

with this honor. This past year, my relationship with God has grown tremendously, and I am so excited to see what he has me do through this office.

For those of you who don't follow my social media, I started classes as a P1 student at East Tennessee State University's Bill Gatton College of Pharmacy at the beginning of August. I am thrilled to be able to continue on my path to achieve my PharmD as well as my B.S. of Pharmaceutical Studies along the way. Online schooling has definitely been a challenge, but it has also allowed me to spend more time home with my family than I have in years. Being away for college, I didn't see my family much, so I am thankful that God has presented me with the opportunity to spend this time with them

given the current circumstances. This school year has had an interesting start, and I am so thankful to be able to share my experiences with all of you.

During this COVID quarantine, I got involved in a lot of hobbies outside of my studies. I started working on my Physical Wellbeing by learning calisthenics and street workout. I am not very good at it yet, but it is a nice way to get outside and stay active. I also recently started working as a Pharmacist Intern through CVS Pharmacy, and I am excited to see where this opportunity takes me. This summer has been one of learning and fun, even in

the midst of this pandemic. I am thankful that my family has not been touched by illness, and I pray that you and your families are also remaining healthy and safe.

Thank you, Mom Rachel for giving me the opportunity to serve as a Grand Officer for the sixth time. I love serving with my sisters on this level, and I am incredibly grateful to be able to continue to serve. Upper East Area girls and adults, I love you all so much, and I am so happy that you are all so supportive of me in both my Rainbow and college careers. You all have given me a home away from home with so many loving mothers and sisters to help me out whenever I need it. Mom Chelsea, thank you for being a source of advice and council for me; any time I have needed help with anything, I have been able to count on you for advice and support. Mom Elizabeth, I love serving with you as my Mother Advisor; I am, as we know, a talker, and I tend to get off track a lot, but I can always count on you to reign me back in and get me back on track. Mom Dinah, you are, without a doubt, the most kind-hearted person I have ever had the privilege to meet. I always enjoy our heart to heart conversations and Mexican food adventures. I know that no matter what is going on

in my life, I will always have a safe place to go with you. I couldn't have made it through the last few years without the constant love and support of the Johnson City girls and adults, and I look forward to reuniting with all of you when it is safe to do so. To my family, thank you for helping me through the stress of Pharmacy School and allowing me to become who I'm meant to be in Johnson City. I know my moving has been hard in a lot of ways, but I am so glad that you continue to push me to reach my goals. Thank you to everyone who has helped me to become who I am today. I wouldn't be here without every one of you supporting me. I am so happy that God has placed me here, surrounded by so many loving and caring people. I cannot wait to see all of you again.

In Rainbow Love and Service,

Gabrielle Erin Hall, Grand Chaplain 2020-2021

Grand Worthy Associate Advisor...

Hello!

My name is Carrigan Brummett and I am the Grand Worthy Associate Advisor for 2020-2021. I would first like to give my Grand Page, Amelia, a huge shoutout. I am so excited to meet you, and I am so happy I will get to share this experience with you this year! I am blessed to serve this year as the Grand Worthy Associate Advisor, and I cannot wait to work with everyone again.

I would also like to congratulate both Mom Fortenberry on being Supreme Worthy Advisor and Mom Rachel on being appointed as Supreme Deputy! We are all so proud of both of you!

I do not know about everyone else, but my quarantine has been filled with fun in the sun, aka my front yard. I have remodeled, crafted, had late night movie marathons, and of course, binge-watched Avatar the last air bender! Since quarantine, I have started back to school attending Vol State Community College. Classes have been going well, and my favorite part has been becoming best friends with the IT department to figure out how to work proctored tests.

I have been meeting regularly with my Assembly on Zoom, but it is not the same as it is in person. However, I am happy everyone is safe! I cannot wait to see everyone at our socially distanced Camp Day!

Grand Recorder...

Rainbow Sisters and Friends,

Hello all!! It has been a crazy year to say the least. My name is Zealan Hoffman, and I have been in Rainbow for five years now. I have loved every minute of it. Grand seems so long ago even though it has only been a little over a month. Of course, quarantine has thrown us all off schedule and as a result we have had to change things up a bit.

Over these past few months, my Assembly has been hosting virtual meetings at our regular meeting times which has been nice and allowed for some sense of normalcy. While in quarantine, I finished out my freshman year of college from home, worked two jobs over the summer, and moved. Despite the chaos, we were still fairly busy at least in my household.

Currently, I am attending Samford University as a sophomore. I have not declared a major yet, but I am looking at something history related.

I am beyond grateful to have been given the opportunity once again to serve Tennessee Rainbow. I would like to give a special shoutout to my page, Callie Jones. I am so excited to meet you and get to know you. Thank you to Mom Fortenberry and Mom Rachel for this opportunity to serve as Grand Recorder this year. I am looking forward to all we will do as we slowly but surely get back to normal.

Rainbow Love and Service,

Zealan Hoffman, Grand Recorder 2020-21

Greetings from Hendersonville #3!

Wow! The past few months have brought so many changes into our world!

Because of COVID19, our Assembly has been connecting on our regular meeting nights since the quarantine began in the spring. It has become our new normal, but we miss seeing everyone in person. We have played online Bingo a couple of times plus a few other games, and it has been fun.

Then we had our virtual Grand Assembly and are so honored by the Grand Appointments our Assembly received. Congratulations to Carrigan Brummett, our new GWAA, Zealan Hoffman, Grand Recorder, and our new State Mother Advisor, Mrs. Beth Williams. We also want to send a shout out to Mom Rachel, our new Supreme Deputy and Dad Austin, our new State Dad. Teige Andersen, Jalise Gleaves and Lizzie Kauffman are our new Grand Pages and Trinity Shumate will be in the Grand Choir. Kaitlyn Mayo is now representing us as a member of the Jr. Grand Executive Board. Congratulations to all of you! You are each so special to our Assembly!

The Knoxville Area...

We were honored to host the Installation of the Supreme Family in July and the Grand Assembly Showcase in August. No pressure, of course...just a few hundred of our closest friends watching from a location with normally no internet!

It was incredible that Mom Fortenberry actually got to be installed at the Assembly where she served as Mother Advisor. That was pretty neat! Congratulations to Mom Fortenberry and we look forward to working on your program over the next 2 years!

Mom Rachel....we are so glad to have you as our Supreme Deputy! Congratulations also to Mrs. Broadway, our newest Grand Deputy and to Dad Austin. Thanks for serving TN Rainbow and know that we'll be there to help you out!

Hope everyone has a great Fall and a wonderful Halloween! Stay safe out there!

Grand Fidelity

Hey guys! I wanna start off by stating the obvious: this year has been CRAZY. With everything seeming like it's going wrong in the world, a little bit went right; we got to go to Grand Assembly! While it was a bit different than what we were used to, I know I definitely had fun, it was fun seeing everyone!

I can't wait for Camp Day, seeing everyone again is gonna be so fun, even if we have to wear the masks. What with COVID going on, my assembly hasn't been able to do much in terms of meeting in person, but the weekly zoom calls are always something to look forward to, and since things are slightly starting to go back to normal, I'm looking forward to finally seeing people in person again!
