Some words from our Grand Worthy Advisor...

Hi Friends!

I hope you all have caught up on your beauty rest since Grand Assembly. I am so blessed to serve as Tennessee's Grand Worthy Advisor for the 2021-2022 Grand Year. So far, this year has been filled with kindness and cheer, and I have been grinning ear to ear since the start. I would like to shout-out my wonderful Grand Page, Josie Russell. You have such a wonderful spirit and attitude! I can't wait to see you soon! Grand Assembly was nothing short of a dream come true! I loved being able to play fun games, bond with the 2020-2021 Grand Officers, and of course, see everyone again. I never knew how much I would miss seeing that hotel until this year. Grand Assembly is always one of my favorite times of the year, so it was amazing to be back!

Since Grand Assembly, I have been busy. I attended Tennessee Conclave as the Tennessee Knighthood Lady where I retired a sweetheart crown for the last time. I also got to represent Rainbow as the Grand Worthy Advisor where I brought greetings on behalf of Tennessee Rainbow. Conclave is always a great time, and aside from the heat this year was no exception.

After the banquet, I got to dance the night away as Tennessee DeMolay celebrated the new year. Trace, I am so excited for you, and I can't wait to see what you accomplish!

After Tennessee Conclave, I was able to reunite with the 2021-2022 Grand Family at our Rainbow Camp! Mom Rachel assisted by some dedicated adults worked hard to make the Grand Officer Retreat a success, and it was! I was able to bond with the Grand Officers through various team building activities. We got to figure out each other's strengths and how they worked together, we found out what we liked most about each other, tie dyed, and proved that we are all competitive when it comes to water sports! The Grand Officers and I even saw an armadillo one night!

After the Grand Officer Retreat my mom, sister, and I traveled to Georgia for a Braves game! I have never been to a Major League Baseball game, and I had no idea what was happening, but I had a great time! Georgia was beautiful and I can't wait to visit again!

A few weeks later I reunited with the Nashville Area for an initiation and installation! We were able to initiate five new neighbors, and everyone did a lovely job!

The following weekend I reunited with the state in Knoxville for our first Official Visit! The Knoxville, Chattanooga, and Johnson City Areas made the weekend special for everyone!

We initiated even more new friends as well! After the meeting, we ate spaghetti, took a lovely photo in a garden, played sports in the church, and later had snacks! In the morning, Dad Steve made us perfect pancakes, and we went our separate ways.

Hendersonville Assembly has been meeting every month like normal and are so glad to have new members!

I have since started my last semester at Vol State! I am fully online, and so far, classes are going great! I miss you all dearly!!!!

~A little house, a little tree, a little neighborhood for you and me!

At Grand Assembly 2021, we were lucky to have our own Mom Judy Fortenberry, Supreme Worthy Advisor in attendance with us! Mom Fortenberry has been able to visit several virtual Grand Assembly's, but ours was the first in person Grand Assembly she visited. We are very proud of all of the work Mom Fortenberry has done for Supreme and we look forward to watching her shine at Supreme Assembly 2022 in Oklahoma City, Ok!

Happy Fall Tennessee Rainbow!

I hope that everyone has recovered from a fantastic Grand Assembly and have already started working on some of the GWA projects for the new year. Having my first Grand Assembly under my belt and finally getting some rest, I am looking forward to the travels we will have this year.

At the end of July, the Grand Officers and myself met up for our Grand Officers retreat at Camp Mont Milner. It was so nice getting to know this new group of girls and watching them bond together. I look forward to making memories this year with them.

In August, we were able to have our first Official Visit for the new year. Thank you to all of the Adults who made the day a success and all of us feel so welcome. I commend the girls on a job well done on their Ritualistic work. In my remarks, I had the girls who were serving for the first time at an Official Visit stand. Half of the girls stood up and then when I asked for those who were serving that station for the first time to stand, the rest the girls stood. I am so proud of many of you for stepping out of your comfort zone and trying something new. Trying it is half the battle and you girls excelled beyond that! I encourage all of our girls to do the same. My favorite part of the Official Visit was seeing so many girls and getting to meet the ones I had not had an opportunity to meet yet. I hope to see you at many more events.

I hope you girls continue to work on the Supreme Centennial Proficiency. Not only is this Mom Fortenberry's special project, but it gives you the best opportunity to learn about YOUR order. The proficiency is full of history, traditions, and why we do some of the things we do. The best part is when you take the Proficiency is YOU pick the questions.

It's a win-win situation!

So far, my highlight of the year has been seeing new sisters join our order. Including Grand Assembly, I have been honored to witness 13 Sisters begin their Rainbow career. I hope each of you will have an opportunity to meet our new sisters who have joined: Hendersonville #3, Claiborne #8, Old Hickory #27, Dinsmore #49, Henry Lee Fox #85, Bartlett #116 and Holston #124. I am looking forward to seeing them grow in Rainbow and working in their Assembly's. We have a few more months until the end of the year so be working on getting some more girls in to join in on the fun!

Lastly, I want to give a shout out to my wonderful Grand Page Dakota Plogger from Bartlett #116. It was great seeing you at DeMolay Conclave and snagging a picture with you! I cannot wait to see you at other events this year!

Rainbow Love to each of you, Mom Rachel

Hello from beautiful Camp MontMilner!

Grand Assembly was an absolute blast! What a wonderful surprise to be named your State Mother Advisor again this year. I am proud to be acting in the stead of my friend, Joy Todd, from Old Hickory.

The Grand Officers were blessed to get together for a wonderful retreat the weekend of July 23. It was a great place to bond as a group and learn from many wonderful sessions. We were given a chance to learn about the Hues 'N News and get a jump ahead to write our articles for this edition!

Prior to our retreat, several of us were able to attend DeMolay Conclave. It was great to fellowship with our DeMolay Brothers and see them

launch another year.

Our Assembly was blessed to have a new member initiated at Grand Assembly. We welcome Sarah Kodet at Hendersonville #3. In addition, we were able to initiate Elizabeth & Bella Browder at our area initiation/installation in August as well as three more for the Nashville area.

Everyone had a wonderful time at our East Tennessee Official Visit on the first stop of our neighborhood tour. We added 5 new sisters there as well. Tennessee Rainbow is growing!

In closing, I would like to a special hello to my Grand Page, Jasmine Boswell, from Livingston Assembly.

In Rainbow Love from the Neighborhood,

My Rainbow Sisters and Friends...

Hello everyone and a very special hello to my Grand Page, Jasmine Boswell. My name is Cherie Braud and I'm an incoming Senior to Westmoreland High School. I love to write stories and listen to true crime podcasts. I plan to go to college for Forensic Anthropology and scene investigation.

I hope to have a fun year with you all! My Assembly has been working hard on trying to keep each other up to date and getting to see each other in our Assemblies. The Grand Officers' Retreat was fun, and I learned many things along with getting to spend time with my sisters and work on our parts.

The Nashville initiation and installation went well despite how long it's been since we've done ritualistic work and was exciting to see new assembly officers and new girls. At the East TN OV I got to travel across the state to see my East TN sisters. The decorations were amazing, and going to the gym for the activities was fun. I can't wait to see you all at the next state event and make more memories.

Cherie' Braud, Grand Chaplain

Hello friends,

Let me start off by saying that I am so excited for this year. Yes, this year might be a little weird, but we will get through it together.

Can we just take a moment and talk about how fun Grand Assembly was? From spending time with each other to all the ritual work we have worked on and to all the practices we did to make it so successful, we had a great time. I am so proud of each one of you ladies and your appointments.

Trinity, I want to start off by saying I am so excited I got you as my Grand Page. We are going to have so much fun this year, and I can't wait to spend this year with you.

Due to Covid being more widespread these past few weeks, I couldn't make it to a few of the events to start out this year, but that is ok. I want to congratulate the new initiates that joined us at the Area Initiation and the East Tennessee Official Visit. I am so excited to call you all my sisters!

I want to end this article with a quote from Walt Disney,

Always remember if you don't think you can do it tell yourself that you can and then do it.

Rainbow Sisters and Friends,

It was wonderful to be back together again at Grand Assembly in June. I enjoyed getting to see everyone and making new friends and memories along the way. My name is Zealan Hoffman, and I have been in Rainbow for almost six years now. My, how time flies!

I would like to give a shout out to my Grand Page, Savaunnah. It was great to meet you at Grand Assembly, and I look forward to the year ahead of us. I would also like to say welcome to my cousins, Sarah Rose and Candace.

After Grand Assembly, the new Grand Officers had a retreat at MontMilner Camp, and it was a great weekend where we got to bond and get to know each other better. I had a great time despite the rain and large spiders we encountered. I am sad that I missed the OV at the end of August, but I was moving into my apartment that weekend. I am a Junior at Samford University, and I am studying Global and Cultural Studies. It certainly was a journey to determine my major, but now we're here.

The appointment of Grand Hope came as a surprise to me. I am grateful for the opportunity to serve Tennessee Rainbow once again and the support of Ms. Mickey, Mom Fortenberry, Mom Rachel, and Mom Karen that got me where I am in this incredible organization. Before I moved down to Birmingham, I attended the Nashville Area Initiation/ Installation and got to help initiate my cousin and four other new sisters. I am a member of Hendersonville #3, and I look forward to seeing everyone soon.

Zealan Hoffman, Grand Hope 2021-2022

Hello Everyone from Claiborne #8

We hope everyone is well. We enjoyed attending Grand Assembly in-person this year. It was great to see everyone! Claiborne Assembly is very proud of Mackenzie, Grand Drill Leader, Kaiya Parman, Grand Representative, Makayla Duncan, Grand Page, Maliayah Illirramendi, Rubi Hilton, Justyce Parman, Lizzie Morgan and Ahanna Morgan, members of the Grand Choir.

At the Nashville Area Initiation we welcomed two new members, Ashlynn Pancoast and Canadice Morgan. Since Grand Assembly we have been working on the Grand Worthy Advisors projects – sending cards and collecting coloring books, crayons, etc. for the Shriner's Children Hospital patients.

Several of us were able to travel to East Tennessee Official visit in Knoxville. Justyce Parman was able to walk through the initiation ceremony in Knoxville. We want to thank everyone in the East Tennessee Areas for all they did to make the OV so much fun. We really had a good time!

We hope to see everyone at the Memphis Area Official visit then again at Leadership the first weekend in October. -Claiborne Assembly #8

Hi Friends!

So the past half of the year in Tennessee Rainbow has been absolutely great! In June, we had our first in person Grand Assembly in almost 2 years! I know! Crazy right? Grand Assembly went so well, and I was so happy to see all of my Rainbow family! I have definitely made some lifelong friendships, I do know that for sure. Our Past Grand Worthy Advisor, Katelyn Broadway, was such an amazing role model, and held such an amazing Grand Assembly!

During this time, we brought in another amazing young woman to the East to direct us in our travels to find the pot of gold, Miss Carrigan

Brummett. Her theme this grand year is “Be a Good Neighbor in Rainbow”, and I’m so excited to serve with her! This year I got my first Grand Office, and I was so excited!! I was installed as Grand Fidelity! And I am so excited to be a role model for my first grand page! Let me tell you a little bit about her! Her name is Emily DeBorde, and she is from Holston #124 Assembly.

This year in my assembly, I served as Worthy Advisor. And of course, we held our monthly meetings, and our Mother Advisor and Advisory Board did an amazing job at getting us ready for Grand Assembly! So I want to give a big thank you to them!

Sadly, I was not able to make it to the Grand Officer Retreat at Mont Milner Rainbow Camp, due to being understaffed at work, but I’m sure it was a major success! I ended up getting Covid and was not able to make it to the area initiation and installation. I do want to say an huge congratulations to the girls who were initiated, and I cannot wait to serve with you ladies this year! I was not able to make it to the East Tennessee Official Visit either, but I am sure each and every person this our Rainbow family made it a major success for Tennessee

Grand Assembly 2021 was great! I loved connecting with Rainbow friends from across the state especially after the year of Covid restrictions. The night of appointments I was excited to become Grand Representative to Texas and Oklahoma. I really hope I am able to travel this year. I have already been in contact with my counterpart Karita Martin from North Texas #383. I was just getting settled back into my seat as Mom Rachel started to announce the Grand Officers as Mom Rachel called my name to be the 2021-22 Grand Confidential Observer. I was in utter shock! I completely thought I wouldn’t have the opportunity to serve this year but am so grateful for the confidence placed in me to be a Grand Officer. From what I have experienced so far, I can tell I’m going to love my time here and connect with my fellow Grand Officers. I am also looking forward to getting to know Marlei Snyder Johnson City #71, Grand Page to Grand Confidential and Grand Outer Observers, and spoiling her with fun gifts!

I am a proud member of Henry Lee Fox #85. We have had a party to celebrate Founders Day and participated in the Nashville Area initiation and installation. We are happy to have so many new members in our Area!

Being a new Grand Officer is so much fun. In July, we went to Camp MontMilner where we tie dyed, had water sports, and played getting-to-know you games. Then in August, we were able to go to the East Tennessee Official Visit. I was happy to serve my Grand Station during the meeting. We should always be prepared to serve when needed to help out our Rainbow neighbors.

I could say a lot of positives for the amazing gifts and activities, but the amazing nachos need to be mentioned.

When I was little, I lived right down the street from Fountain City’s Lodge where the Knoxville Official Visit took place. My mom took me down memory lane the next day and I saw my old house, church, and preschool. She made sure to take pictures of me at the fountain just like she made when I was two years old. It was very fun.

Each of us should please our neighbors for their good, to build them up. Romans 15:2

Rainbow love,

Stephanie Brandon, Grand Confidential Observer

Hello from Hendersonville #3!

We had a blast at Grand Assembly this year and we are so proud of all of our girls in the Assembly for doing such a great job. We were especially excited to initiate Sarah Kodet at Grand Assembly! Congratulations!

Hendersonville Assembly was also blessed with several Grand Appointments: Carrigan Brummett, Grand Worthy Advisor, Zealan Hoffman, Grand Hope, Mrs. Beth Williams, State Mother Advisor, Teige Andersen, Grand Representative to New York and Georgia, Trinity Shumate, Grand Page to Grand Religion and Sarah Kodet, Grand Choir. Congratulations, to all of you!

Since Grand Assembly, we made 100 tray favors for the NHC nursing home in Hendersonville. Our girls and adults joined the fun and spent one meeting night clipping ribbons, peeling off stickers and creating some cute favors that we hope brought some cheer to this group of NHC residents.

In August, we joined the rest of the Nashville area for an initiation and installation at Hendersonville lodge. We were able to initiate Bella Browder and Ellie Browder into our assembly that day. Congratulations, girls! We are so happy to have you join us!

On August 21, we travelled to the first OV in Knoxville! There was a LOT of rain on our way and the cars got separated on the interstate, but we made it on time anyway. It was a wonderful meeting with beautiful decorations and great hospitality. After a fun-filled night at the sleepover, we headed back home the next morning. Thank you to everyone who helped make this weekend so special. It was such fun seeing everyone.

Rainbow Sisters and Friends,

For those of you who do not know me yet, my name is Gabby, and I am the current Worthy Advisor for Johnson City #71. I am so excited to have been appointed as Grand Worthy Associate Advisor for the 2021-2022 term. I am incredibly grateful for the chance to serve Tennessee Rainbow in this capacity. Thank you to Mom Rachel for trusting me to be a leader in this great organization, I hope I can make you and TN Rainbow proud. I am so blessed to have Mom Dinah, Mom Chelsea, Mom Elizabeth, and all the Johnson City Area girls and adults supporting me as I represent our Assembly this year. You each bring such a positive mindset to every meeting and never fail to make me smile. I would also like to give a special shout-out to Miss London Trent, my Grand Page for this year. I have had so much fun getting to know you, and I can't wait to get to know you even better throughout this year.

Grand Assembly was such an exciting adventure. We all had so much fun during the “Dreams Do Come True” session where Katelyn and her officers served beautifully. The adult workers did a fabulous job with decorating and setting up for each meeting. When I was called for the Ritualistic Committee on appointment night, I was sure that I had finished my last Grand Office. It was an emotional moment for me as I thought my journey as an active member was beginning to close; in a shocking turn of events, I was also appointed as Grand Worthy Associate Advisor shortly after. The rest of the evening was a bit foggy after that, but I am pretty sure it involved a lot of very happy (but not pretty) crying and excitement for the new term. The Installation of Grand Officers was wonderful as we began the “Be a Good Neighbor in Rainbow” term, and the Grand Banquet with a dance to follow provided a fun end to a very eventful weekend.

The next time I saw everyone was at the Grand Officer's Retreat. This was an awesome weekend of fun, games, and learning. After that weekend, I can honestly say that I have never felt as close to a group of Grand Officers as I do this year.

Our most recent trip was to Fountain City Lodge where we celebrated the East Tennessee Official Visit. The Chattanooga, Knoxville, and Johnson City Areas worked so well together to make this wonderful

evening possible. The lovely decorations gave a nice homey feel, and Dessie did an amazing job with her lemony introductions. All of the girls served beautifully, and many of them were serving new roles. The evening really showcased the hard work and dedication put forward by both the girls and adults of East Tennessee Rainbow. There were so many great aspects of the evening, but I must say that eating BBQ Nachos at around midnight with some of the best girls I know was my favorite part.

The weekend of August 21st was a busy one for me. Not only did I attend the East Tennessee Official Visit, but after a whole year of delay from COVID, I also attended my White Coat Ceremony for Pharmacy School. The ceremony was so special, and it finally made the reality set in that I am halfway to finishing college. I began my second year of Pharmacy school a few weeks ago, and I can honestly say that I feel like I am right where I belong.

I am so excited for what the future has in store, and I will always be grateful for the love and support from all my Rainbow Sisters, friends, and family.

Gabrielle Hall, Grand Worthy Associate Advisor 2021-2022

Hello, Tennessee Rainbow! The 2021-2022 Grand Pages just wanted to drop in and say how excited we are for the upcoming term.

“Be a Good Neighbor in Rainbow” may be one of our best years yet! It was great to see everyone at our first Official Visit since what feels like forever; even though masks were required, it was still a wonderful meeting. Everyone that served did an absolute beautiful job, especially considering some hadn’t served in over a year. Afterwards, we had a delicious spaghetti dinner and had an opportunity to bond with our fellow sisters. Thank you to everyone who worked hard to make this meeting a success!

We hope everyone is staying safe and doing what they can to be a good neighbor. As Mr. Rogers once said: “Look for the helpers. You will always find people who are helping.” Remember, if you ever need a helper, your Grand Pages will be more than happy to step in wherever we’re needed! See you guys soon!

My name is Noah Porter and I am serving as Grand Patriotism for the 2021-2022 Grand year. I am 20 years old and a Junior at Carson-Newman University, where I am studying to become an English teacher. I am in the marching band and in my free time, I like to read and volunteer at C.A.R.E. (Companion Animal Rescue and Education), the local animal shelter. I want to say thank you to anyone and everyone that made the Grand Officer Retreat possible. I had the best time with my Grand Family. I also want to make a shout-out to my Page, Lizzie Kauffman. I cannot wait to spend this year with all of my Rainbow Sisters and friends.

With so much Rainbow love,

All of the girls did great with their parts. Not only the Grand Officers, but Representatives, Pages, and Choir. Without you guys, Grand Assembly would not have been possible.

Hello Rainbow sisters and friends!!

I'm Kameron Bomar, Grand Service for this term, and I am so excited for my first Grand Office!

Our Assembly celebrated Founders day with a paint party and refreshments. It's been great to be able to be together again in person.

Grand Assembly was the best yet and I'm incredibly grateful to get to be a part of this Organization. A special thanks to Mom Rachel for putting faith in me to become a Grand Officer this year.

I loved our Grand Officers Leadership Retreat. We had so much fun with the team building exercises. One of my most needed and favorite sessions was when Dad Austin spoke about ways to help anxiety when doing ritualistic work. It was so good to spend time with this great group of girls and I'm so happy to be a part of this grand family. Thanks to everyone who made this Retreat happen!

I was able to attend and serve at the Knoxville Area Official Visit. It was my first time serving and I was so nervous but everyone did such a great job and we had such a great time together. Thank you Mom Martha and all the rest of the Knoxville area for all their hard work putting everything together and a special shout out to Mr. Steve for making those great pancakes, I had a great time and I'm looking forward to the next official visits!

Hello! I am Piper Slavey and I am so excited to be this year's Grand Recorder. I am a 19 year old sophomore at Roane State Community College where I am working towards an education degree.

I have been very busy since being appointed at Grand Assembly. I went to the beach for the first time and am now in Sewanee, Tennessee for the Grand Officers Retreat. I love to travel so my favorite part of these Rainbow trips is usually the ride there. There is always an unexpected adventure on the way, like when Grand Patriotism Noah Porter and I discovered our new favorite stop. The "I Don't Know" Cafe was where we stopped for dinner on our way to the retreat.

I am looking forward to all the new adventures this year will bring. I am especially excited to get to know my Page, Breanna Nott. This is going to be a great year!

In Rainbow love, Piper Slavey
